

LOCAL WATERS CRUISE
Friday, May 5 to Sunday, May 7, 2017

This cruise is for everybody, to learn more about our local waters. There are some excellent places to go and either anchor out of go into a marina. What a great opportunity to visit some different areas and see what might be available.

The first day we will travel to Lower Broad Creek. The River Dunes Marina is there so there is an opportunity to go into a slip. There is also a great restaurant there but again we must make reservations. Please indicate your interest on the registration form. Do not call the marina for your dock space as I will do that. Cost at the marina is \$1.90/ft for the dock and \$5 for 30 amp and \$10 for 50 amp service. There will be a splash on the dock at 1700.

We will go the second night and anchor out at Cedar Creek, which is just off Adams Creek in the ICW. It is a great place to visit and explore. We will have a splash beginning at 1630 on one of the boats and then dinner on your own boat.

Captains' meeting in the Activities Bldg. Room 2 on
Wednesday, May 3 at 1000 hours.

Reservations no later than Wednesday May 3. Please put your reservation
