

OCRAFOLK FESTIVAL 2017
Cruise to Ocracoke
May 29 – June 5

You may have been to Ocracoke in the past, but if you haven't experienced the Ocracoke Festival you haven't fully experienced the island and all it has to offer.

We plan to leave FH on Monday, May 29, gathering in either Lower Broad Creek or South River, depending on the winds and group consensus. For those of you who travel the distance in one day we'll meet you in Silver Lake. On Tuesday morning we plan to leave early for Ocracoke, arriving mid to late afternoon. If the Federal Docks are crowded we may need to raft. We'll play it by ear when we get there.

Departure from Ocracoke will be entirely up to you. We do recommend you stay through Sunday.

Since we have 3 days in Ocracoke before the Festival starts, we may want to get together for a potluck one of the nights. Of course a SPLASH on the docks is a must each day! If the restaurants aren't too crowded there's always that choice.

Captains' Meeting in the Activities Building, Room 2
