

FAIRFIELD HARBOUR YACHT CLUB CAPE LOOKOUT CRUISE

JULY 13 TO JULY 17, 2018

Enjoy one of the most spectacular anchorages and unspoiled beaches in the bight at the Cape Lookout National Seashore. A dinghy is recommended.

ITINERARY

- Friday, July 13: Depart Fairfield Harbour and anchor at Cedar Creek overnight with a light splash. For marina options, consider Beaufort and make your own arrangements.
- Saturday, July 14: Plan your departure from Cedar Creek or Beaufort to take advantage of fair currents to Cape Lookout. (Note: Beaufort Inlet high tide at 0900, slack ebb begins 1051, max ebb 1420). Let's have a splash when everyone arrives.
- Sunday, July 15: Enjoy the Cape! Climb the lighthouse (with your senior pass it's only \$4.00), swim (bring beach chairs), go shelling or fishing. Bring wood for a bonfire on the beach at sundown with hot dogs, s'mores and fun.
- Monday, July 16: Leave Cape Lookout and head for the South River anchorage or anchor in Beaufort Town Creek. We'll determine that destination at the Captains' meeting. (Note: Slack flood begins at 0857; max flood 1037.)
- Tuesday, July 17: Depart for Fairfield Harbour.

Captains' Meeting will take place at the POA Activities Center, Room 1, on Tuesday, July 10 at 1000.
