

Pamlico Cruise - 23 October to 2 November

The dates of the Pamlico Cruise are different from those listed in the Yearbook. The new dates are October 23 to November 2. They have been changed to accommodate other events. This is our last long cruise of the year, please plan to come for either part or the whole cruise.

We plan to cruise the Pamlico and visit:

Lower Broad Creek and South River near the mouth of the Neuse (one on the way out and one on the way back).

Belhaven on the Pungo River with several good restaurants including the “farm-to-fork style restaurant” of Spoon River. There are several good marinas here.

Bath, which is the oldest town in and first capital of NC. With the option of using the free dock or anchoring.

Washington which has both free dockage and paying docks with facilities.

Pamlico Plantation to see our friends of the Yacht Club.

Days are getting short by these dates, and the weather can be wonderful and occasionally not so good. We shall plan accordingly to suit both ‘stinkpotters’ and ‘ragtoppers’.

Skippers Meeting 21st October at 0900 hours at Activity Center Room 3
