Meet New People!
Enjoy a Day on the Water!**

BOAT BASH

Saturday, June 10, 2017

FHYC boaters invite New Neighbors for a nice time on the water. New Neighbors are folks who have moved into the Harbour in the last 18 months.

We will tally the boats and space available and give that number to the Fairfield Harbour New Neighbors Committee. Using that capacity, they will offer the space available to their members and supply us with names and contact information.

We will match these to your boat and supply both passengers and captains with contact information.

You will coordinate with the guests where and when you will depart. Departure time, length of cruise and route are at your discretion.

That evening, New Neighbors and FHYC will host a light dinner for their participating members and those of us supplying a boat. Please limit your participation in the dinner to two people (Captain and mate). The time and venue of dinner will be announced later.

Whether you supply refreshments on board or ask guests to bring snacks to share is up to you but please, no alcohol should be consumed during the time on the water.

Please complete the form below with your name, boat name, boat type (power or sail) and how many guests you can accommodate.

Your Name _____

Boat Name _____

Power or Sail _____ How many guests can you carry _____

Return to George Stateham 902 Nautilus Ct. no later than May 27, 2017
or email the information to george@stateham.com
