## View From The Bridge

For starters, my sincerest condolences to Ron Helling. Emily was a special person who touched all of us in such a wonderful way. She will be greatly missed.

John Myer's educational seminar on nautical sewing was absolutely fantastic. This man is not only an expert in the field but will set up a couple of machines in his garage for private lessons and use. Maybe we can talk him into an advanced class.

There are some upcoming cruises, and racing continues. Please get involved – the more the merrier.

Of course, no one can ignore the upcoming elections. We are in uncharted waters, so to speak, so we are treading lightly and cautiously. As of this writing we are not sure who will run for Vice Commodore. The floor will reopen for nominations just prior to holding the election. I hope everyone will do the right thing for the club. Heaven knows, I understand personalities, but we must put them aside and elect the best person for the position. Remember, the Bridge and Board work for you. Your vote does count. Be sure to come early next month so we can distribute the ballots efficiently.

Many members have called Vice Commodore Thomson and me regarding the election. Several are unhappy with the way things are playing out. I urge you to bear with

the process, and regardless of the outcome, support the club. We need everyone.

By the time you read this, the Fall Appreciation Dinner will be history. Let's all start thinking about the Holiday Party.

Fall is finally here. Go out and enjoy this beautiful weather.

**Commodore, Ralph Azersky  
Cruising:**

George Stateham gave an update on the 3-Dinner Cruise coming up which promises to be a wonderful time. Ritchie Thomson talked about the Pamlico Cruise which has four boats going. If anyone else is interested in going by land or by sea they should contact Ritchie. A visit to Pacific Seacraft has been arranged while we are in Washington, NC. Bill Jarvis announced to members that there is a Regional Optimist Dinghy Championship going on this weekend near Minnesott Beach area and urged boaters to be careful of creating wakes in the area.

**Entertainment:**

Ellen McElree reminded everyone of the Fall Appreciation Dinner this Tuesday (October 15) at Taberna Country Club starting at 1730.

**Regatta:**

Georgie Jackson asked for members to join the Regatta Committee. Peter Budzynkiewicz relayed that Tuesday Fun Racing starts this next week at 1600. Walt Meyer said that the Ensign is looking for one additional crew and that some other boats would also like crew.

Elaine Berberich presented a Medical Minute on Breast Cancer Awareness.

**Unfinished Business:**

Commodore Azersky gave an update on working on a discount with New Bern Grande Marina for reciprocity for boaters from YCOA. They are working on giving a discount of \$1 per foot.

We will contribute ¼ of the cost to repair the markers and light from 1N to the NWC Marina. The POA will contribute ¼ and Northwest

Creek Marina ½. Our share will be approximately \$320.

**New Business:**

Commodore Azersky informed members that FHYC will be purchasing new banners that will be displayed around Fairfield Harbour representing the Yacht Club. Other major clubs such as Garden and Fishing also have banners displayed at different times during the year. This will cost approximately \$1500 and will be budgeted for 2020. We will be working with a designer to formulate a design. Ritchie met with Jennifer Gudaitis for the details and will set up a small committee to make a decision about the design. They will probably be displayed from June to September and will be made of material that should last for a number of years.

John Jackson reported from the Planning Committee recommendations that effective January 2022, all Flag Officers must reside in Fairfield Harbour for the duration of their term. The other major recommendation from the Planning Committee was that a membership shall be awarded to an individual(s) or couple who is a property owner, or condominium owner, or a resident of the Fairfield Harbour development located in New Bern, North Carolina.

John Jackson, chairman of the Nominating Committee, announced the slate of officers for the next year.

They are as follows:

Commodore: Ritchie Thomson,  
Vice-Commodore: Mark West,  
Rear Commodore: Barb Robinson,  
Secretary: Yvonne Meissner,  
3 year terms on the Board: Ellen McElree and Elaine Mielenhausen.

John explained that during its work the Nominating Committee had a lengthy discussion regarding the question, "Can a Board member or Flag Officer live outside Fairfield

## Dirk VanZyverden

Dirk VanZyverden passed away peacefully October 1. Dirk and Tini VanZyverden built their home on Cassowary Lane where they lived for about 27 years before returning to their native Netherlands in 2007. There they lived in the city of Leiden where they were near Dirk's three daughters, Jeanine, Elisabeth, and Juliette. They were very active in the FHYH Yacht Club and Dirk was an excellent sailor and sailboat racer.

## Education Committee

Dave Phipps will be leading a Water Safety Exercise on Friday November 8 at the Broad Creek Recreation Center Pool at 1300. This is the Friday prior to the November general meeting. This will be a simple opportunity to experience the use of your own life vest while in the protected water of a pool and to practice entry into a life raft. There are a few guidelines: (1) although there will be individuals to help you, you are responsible for your own safety; (2) wear your swim suit with a t-shirt or heavier cover for warmth; (3) bring your own fitted life vest; (4) there will be someone to assist entry into the life raft, but you will need some strength to climb aboard. Weather conditions permitting, this exercise will be conducted in the deep end of the outdoor pool; the heated indoor pool will be used as back-up. The exercise should take about 30 minutes. Please contact Dave to sign up: [davidmhipps@cs.com](mailto:davidmhipps@cs.com).

## Report from the Nominating Committee

At the October general meeting the nominating committee, chaired by Past Commodore John Jackson, with Don Knight, Carol Frysiek, Stephanie Davies, Ed Thompson, and Ritchie Thomson, presented the following slate:

- Commodore: Ritchie Thomson
- Vice Commodore: Mark West
- Rear Commodore: Barbara Robinson
- Secretary: Yvonne Meissner
- Three year term on the Board:  
Elaine Mielenhausen and  
Ellen McElree

As always the Commodore then called for any nominations from the floor: Leigh Pfefferkorn nominated Benny Thompson for the position of Vice Commodore.

On Friday, Mark West sent an email to all FHYC members saying he was withdrawing his name for consideration as Vice Commodore.

This leaves the slate as above with the exception of Benny Thompson as Vice Commodore instead of Mark West.

The slate will be voted on at the November general meeting. At that time it will also be possible to nominate someone from the floor for any of the above positions.

*John Jackson, Past Commodore*

## NW Creek ATONs

I confirmed with David Emblar, the marina manager at Northwest Creek Marina that the ATONs (Aids to Navigation) coming into Northwest Creek from the Neuse River have been reset or replaced. The light on 1N has been installed and is operational with a green four-second flash.

*Richie Thomson, Vice Commodore*

## Emily Helling

Emily Helling died peacefully Friday morning October 11 with Ron and her good friend and neighbor Kathy Petritsch at her side. Ron will have a celebration of Emily's life at a later date. He appreciated the kind communications with him over the past few days. We will all remember her many contributions to our community and miss the cheer that she brought to every occasion.
